# Record Video Assignments with UICapture - 1

- To access UICapture, click “Reply” to the discussion or “Start Assignment” on the assignment screen, then click on the UICapture icon in the tools menu.

- If UICapture is available in the ICON course navigation, you can find the Panopto Recorder download link via Create, then select the preferred option to record.

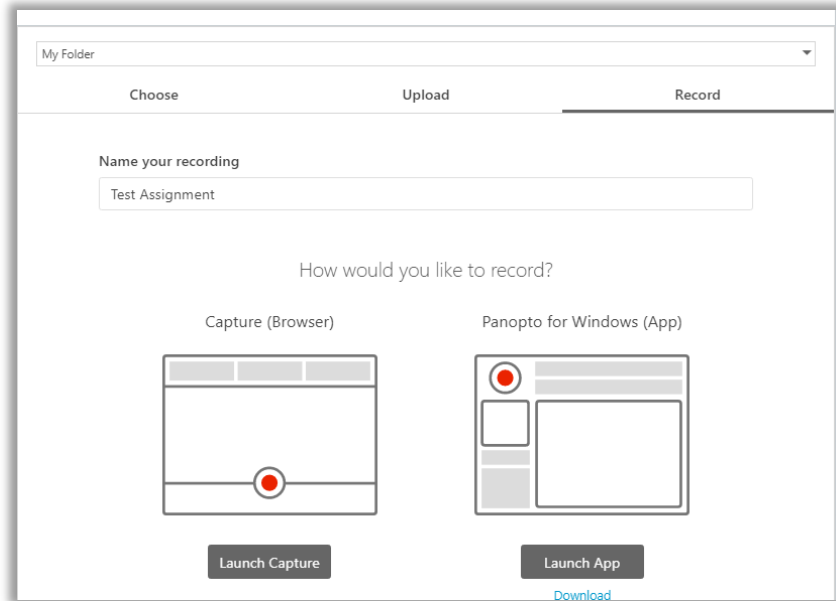

## Record Video Assignments with UICapture - 2

Review instructions in links below on how to record directly in the web browser or install and record with the Panopto Recorder:

### [Panopto Capture \(Browser-based Recorder\)](#)

[Install Panopto \(Win\)](#)  
[Record with UICapture \(Win\)](#)

[Install Panopto \(Mac\)](#)  
[Record with UICapture \(Mac\)](#)

## Record Video Assignments with UICapture - 3

The screenshot shows the UICapture application window. At the top, there is a title bar with the text 'UICapture' and a close button. Below the title bar, there is a search bar with a dropdown menu set to 'Everything' and a search input field containing the text 'Search under "Everything"'. Below the search bar, there are three tabs: 'Choose', 'Upload', and 'Record'. The 'Choose' tab is selected and highlighted. In the main content area, there is a video player with a play button icon and a dashed border. To the right of the video player, the text 'Test Assignment' and '1/6/2021' is displayed. At the bottom of the window, there is a section titled 'Video Embed Options' and an 'Insert' button.

- When you are ready to submit, return to the assignment/discussion screen. Choose the folder where your recording was saved to. Your recordings will be listed on the “Choose” tab. Select the appropriate video and click “Insert”.

Cancel Submit Assignment

- Your video is now embedded in the assignment. Check the video to make sure it plays normally, then submit/post the video.
- If the video fails to play, try re-uploading from the Panopto recorder.
- If the problem persists, contact [ITS Helpdesk](#) for assistance.
