Access UICapture in ICON

- To access UICapture, click “Reply” to the discussion or “Start Assignment” on the assignment screen, then click on the UICapture icon in the tools menu.

- If UICapture is available in the ICON course navigation, you can find the Panopto Recorder download link via Create, then select the preferred option to record.

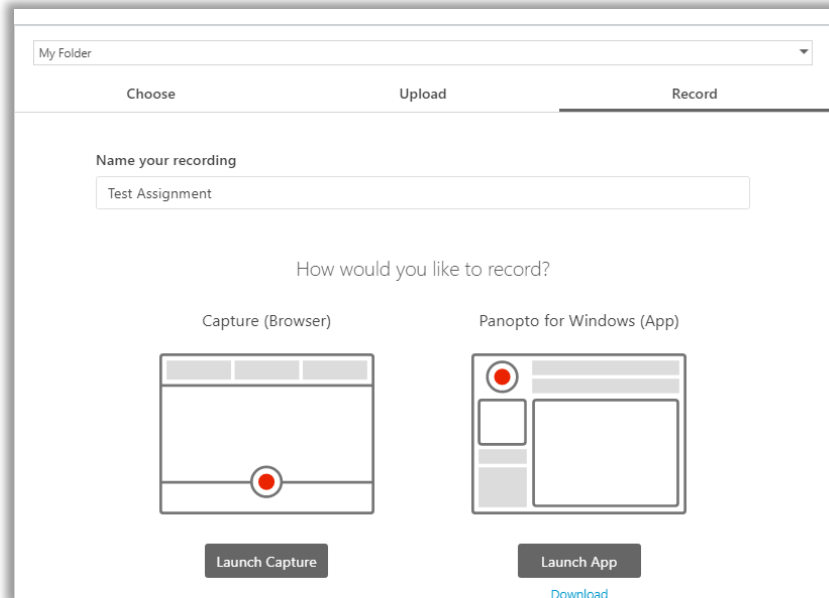

Record Video Assignments with UICapture

Review instructions in links below on how to record directly in the web browser or install and record with the Panopto Recorder:

[Panopto Capture \(Browser-based Recorder\)](#)

[Install Panopto \(Win\)](#)
[Record with UICapture \(Win\)](#)

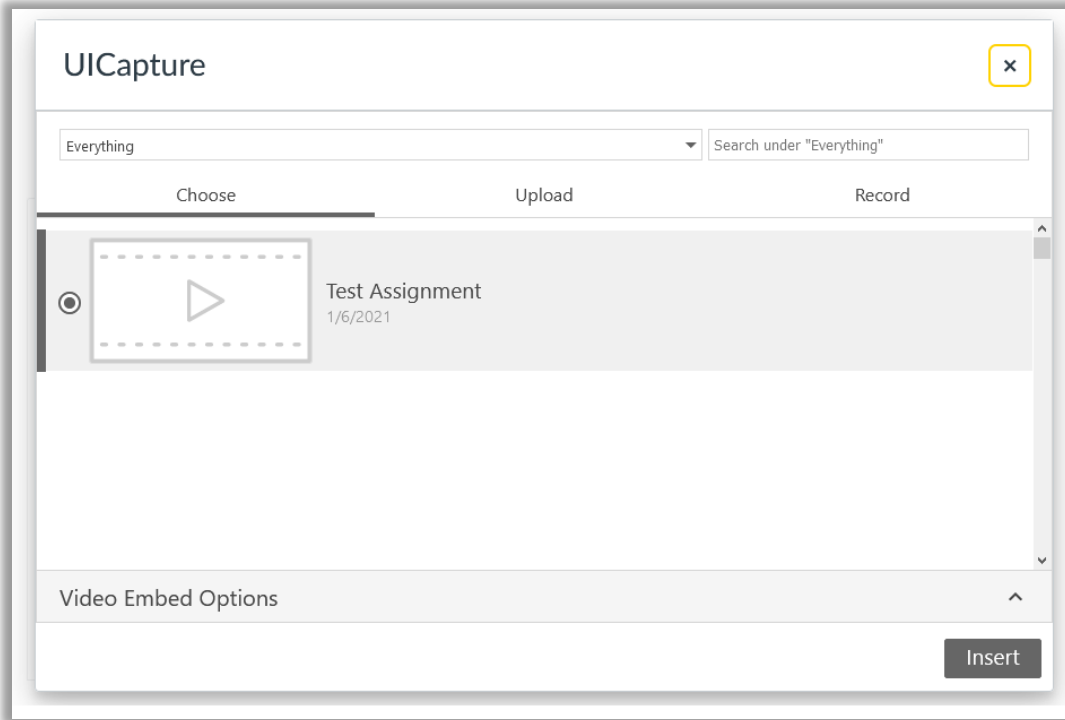

[Install Panopto \(Mac\)](#)
[Record with UICapture \(Mac\)](#)

Insert Video

- When you are ready to submit, return to the assignment/discussion screen. Choose the folder where your recording was saved to. Your recordings will be listed on the “Choose” tab. Select the appropriate video and click “Insert”.

Cancel Submit Assignment

- Your video is now embedded in the assignment. Check the video to make sure it plays normally, then submit/post the video.
- If the video fails to play, try re-uploading from the Panopto recorder.
- If the problem persists, contact [ITS Helpdesk](#) for assistance.
